From Mrs Earle

Congratulations to all our students who received awards on Tuesday. All students have put in a great effort. Some of our students have a busy week coming up with ICAS examinations, Eco Day for year 5 students and Lawn Bowls for the whole school on Friday. This appears to be a very popular sport if last Friday is any indication. We are also preparing art and cooking entries for the Trundle and Bedgerabong Shows which are being held in Week 5.

The P&C meeting will be held this Thursday starting at 3.30pm. The issue of new school uniforms will be discussed. If you are interested in putting forward your point of view then please attend this meeting. New members are always welcome.

The school would like to hold a Working Bee on Saturday 10th August to improve the school grounds if we can get volunteers. We will be undertaking the following projects:

- Shade cloth to cover a shed frame to turn it into a covered learning area and shade house for the garden.
- Installation of a water tank and guttering.
- Playground markings.

We will be starting at 9.30am and finishing at 12.30pm with a BBQ lunch. We would appreciate you letting a staff member know if you will be coming so we can organise jobs and food for the day.

Thank you for your continuing support. Please do not hesitate to contact the school for an appointment if you have any concerns or issues you wish to discuss.

Have a great week.

Kindest regards.

Rosey Earle

Ten tips for tweens who find maths hard

Kids who find maths easy in the early years of school can be turned off quickly if they get confused and can't work it out. Here are 10 ways to get your tween through the more challenging times.

Pea and ham soup

Unblended and chunky, pea and ham soup's a winning recipe to nourish and warm your growing child during the last month of winter – and it’s perfect for the school lunch thermos.

Fast Ed's pea and ham soup

Serves 4

Ingredients
- 1 ham hock
- 1 litre chicken stock (low salt version for kids' lunches)
- 3 litres water
- 2 brown onions, finely diced
- 3 sticks celery, finely diced
- 6 cloves garlic, minced
- 2 tbsp extra virgin olive oil
- 130g yellow split peas
- 2 cups green peas
- salt flakes and freshly-milled black pepper

Preparation
1. Combine the ham hock, stock and water in a large lidded saucepan and set over a moderate heat.
2. Cook for 1 hour, until the ham is tender, then set aside.
3. Sauté the onions, celery and garlic in olive oil in a second saucepan for 5 minutes, until softened.
4. Add the strained ham cooking liquid and split peas.
5. Cook for 45 minutes, until tender, then shred the ham and return to the saucepan.
6. Add the green peas and cook for 4 minutes, until tender.
7. Season with salt and pepper if required and serve.
